TunisAir's First Boeing Next-generation 737-600 Takes to the Skies

The first Next-Generation 737-600 delivered to TunisAir takes to the skies. TunisAir ordered the Next-Generation 737 to expand and complement its existing fleet of Boeing Classic 737s. The Boeing Next-Generation 737 is the most advanced airplane in its class. With more than 1,140 airplanes ordered by 57 customers worldwide, it is the fastest-selling commercial airplane family in history.
