Delta Order Leads Boeing 737 Tally To 4,000

Orders for the Boeing 737 -- the world's most popular jetliner -- soared past the 4,000 level this month, led by Delta Air Lines. On May 1, Delta placed an order for one Boeing 737-800, achieving a historic milestone in commercial aviation that brought the total number of 737s ordered to 4000.
