

Aeroflot Takes To The Skies With Russia's First Boeing 777

Aeroflot Takes To The Skies With Russia's First Boeing 777

Aeroflot's new livery continues to brighten the skies. This 777-200ER is Aeroflot's third airplane painted in the airlines' vibrant new color scheme. The unique scheme was originally painted on Aeroflot's first 737-400 delivered in May.
