Air Pacific's FIrst Boeing Next-Generation 737-800 Flies Away

The first Next-Generation 737-800 delivered to Air Pacific takes to the skies. With its excellent range, the Boeing 737-800 can operate on all of Air Pacific¹s current routes in the South Pacific, the longest being from Fiji to Christchurch, New Zealand. The Boeing Next-Generation 737 is the most advanced airplane in its class. With more than 1,140 airplanes ordered by 57 customers worldwide, it is the fastest-selling commercial airplane family in history.
