SunExpress' First Next-Generation 737-800 Readies For Take Off

SunExpress Aviation's first Boeing Next-Generation 737-800 prepares for take off from Boeing Field, in Seattle, Wash. SunExpress - a charter carrier based in Antalya, Turkey - will operate the new airplane on routes between Turkey and major tour destinations in Europe. The carrier is scheduled to take delivery of three more Next-Generation 737-800s later this year.
