Boeing Unveils First T-45C in U.S. Marine Corps Markings

The first T-45C Goshawk with U.S. Marine Corps markings arrived March 31 at Naval Air Station Meridian, Miss. Thirty-one Goshawks at NAS Meridian are painted with traditional U.S. Navy markings. Marine Corps students at Meridian will now mirror their counterparts at NAS Kingsville where nine T-45As, about 13 percent of the total number at Kingsville, already display U.S. Marine Corps markings.
