

NAA Presents Collier Trophy to Boeing Super Hornet Team

NAA Presents Collier Trophy to Boeing Super Hornet Team

Mike Sears (left), president of Boeing Military Aircraft and Missile Systems, and Pat Finneran, vice president and general manager for the F/A-18 program, accepted the aerospace industry's highest honor May 3 - the Robert J. Collier Trophy. The 1999 Collier Trophy was awarded to Boeing, the Hornet Industry Team and the U.S. Navy for "designing, manufacturing, testing and introducing into service the F/A-18E/F multi-mission strike fighter aircraft, the most capable and survivable carrier-based combat aircraft."
