Address by Boeing Senior Executives to Aerospace Conference to be Webcast

A presentation by Mike Sears, Boeing senior vice president and chief financial officer, to the SG Cowen 22nd Annual Aerospace Conference on Feb.14, will be webcast on the Internet. Randy Baseler, vice president of marketing for the commercial airplanes group will also be speaking on a panel discussing the commercial aircraft demand outlook.

Time of the webcast from New York will be from 8:40-9:15 a.m. EST for Sears and 2:25-3:10 p.m. EST for Baseler, on Wednesday, Feb 14. The live audio webcast of Sear's presentation, as well as the slide materials used in his speech, will be available at www.boeing.com on the Internet. The presentation will be also archived on this site for future use. Sears is expected to discuss how Boeing is focused on delivering value by running healthy core businesses, leveraging core strengths into new products and services, opening new frontiers and financial guidance. Baseler will be discussing the demand for commercial airplanes and the current market outlook.

Individuals may listen to the presentation on the Internet at www.boeing.com. However, they are urged to check the website ahead of time to ensure their computers are configured for the audio stream and slide presentation. Instructions for obtaining the correct, downloadable software will be posted on the site beginning Tuesday, Feb.13.

SG Cowen will make an audio webcast available of the entire conference at www.sgcowen.com.
