Boeing 717: A Good Thing In A Small Package

A brand-new Turkmenistan Airlines 717-200 parks on a tarmac prior to flying to the Moscow Air Show, where it will be the only member of the Boeing family of airplanes displayed this year. The environmentally friendly 717-200 brings full-size jetliner comfort, low operating costs and high schedule reliability to short-haul markets worldwide. The Moscow Air Show runs from Aug. 14-19. Visit the special air show Web site for daily updates.
