Boeing Space And Communications CEO To Speak At Analyst Conference

Boeing Space and Communications President and Chief Executive Officer Jim Albaugh will make a presentation to the Lehman Brothers "19th Annual Industrial Select Conference" in Coral Gables, Fla., on Thursday, Nov. 29. Lehman Brothers will broadcast the presentation live via a telephone conference call.

Albaugh is expected to discuss Boeing Space and Communications' performance, strategy and outlook. Albaugh's \$10 billion business unit is the largest space-related enterprise in the world. It is the world leader in several key markets - including missile defense, commercial and government communications satellites, human space flight - and a significant player in launch services and classified programs.

Albaugh's presentation is scheduled to commence at 9:10 a.m. Eastern Standard Time and conclude at 9:55 a.m. Interested parties should dial 800-521-5461 or 303-224-6998 and enter the code 1329252 to listen to the live presentation. A replay of the presentation will be available 24 hours after the conference for a period of seven days and can be accessed by dialing 800-625-5288 or 303-804-1855 and entering the code 1329252.
