Vietnam Airlines Orders Four 777-200ERs

Vietnam Airlines today placed its first Boeing order for four 777-200ER (extended-range) airplanes. The first 777-200ER will be introduced to Vietnam Airlines' passengers in 2003. As of Nov. 30, 2001, 374 Boeing 777s have been delivered to customers around the world. The 777 family of airplanes has attracted more than 580 orders from more than 30 customers.
