

Boeing Space and Communications CEO to Speak at Analyst Conference

Boeing Space and Communications CEO to Speak at Analyst Conference

Boeing Space and Communications President and Chief Executive Officer Jim Albaugh will make a presentation to the Salomon Smith Barney "15th Annual Global Industrial Manufacturing Conference" in New York City on Wednesday, Feb. 27. His presentation will be webcast on the Internet.

Albaugh is expected to discuss Boeing's performance, strategy and outlook with a focus on Space and Communications.

The live audio webcast, as well as slide materials of Albaugh's presentation, will be available at 11:15 a.m. Eastern Standard Time at the Boeing home page.

Individuals should check the web site ahead of time to ensure their computers are configured for the audio stream and slide presentation.
