Canada's WestJet Orders Two Boeing 737-700s

WestJet, Canada's leading low-fare carrier, has ordered two more 737-700s from Boeing [NYSE: BA]. This brings the total number of 737-700s WestJet has on firm order to 30. The airline currently operates a fleet of 28 Boeing 737s, including five 737-700s.
