Boeing Surplus Sales Store Has New Hours

The Boeing Surplus Sales retail store, 20651 84th Ave S. Kent, Wash., has new public hours: from 10 a.m. to 5 p.m. Wednesday and Friday and 9 a.m. to 4 p.m. Saturday.

For sale are no-longer-needed office and factory assets from Boeing facilities in Washington and Oregon. This typically includes office furniture, computers, printers, computing peripherals, milling cutters, drills, test equipment, and raw and formed metal.

In addition, Boeing Surplus Sales sells to qualified buyers directly or via auction high-value assets -- from wind tunnels and mainframe computers to forklifts, scrap metal lots, machine tools and vehicles.
