

Boeing Awarded Contract for E-10A Multi-Sensor Command and Control Aircraft Testbed

Boeing Awarded Contract for E-10A Multi-Sensor Command and Control Aircraft Testbed

Boeing has been awarded a \$126 million dollar contract to purchase a 767-400ER as a testbed for the E-10A/Multi-Sensor Command and Control aircraft program. The aircraft will be used as a next-generation wide-area, airborne surveillance platform.
