

20th Anniversary of First Boeing Apache Focuses on Durability, Enhancements to Combat-Proven System

20th Anniversary of First Boeing Apache Focuses on Durability, Enhancements to Combat-Proven System

Twenty years after the first AH-64A Apache was rolled out on Sept. 30, 1983, the latest version, the AH-64D Apache Longbow (seen below), continues to successfully meet the objectives of the U.S. Army and defense forces around the world.
