

Ethiopian Airlines Heads Home with New Boeing 767-300ER

Ethiopian Airlines Heads Home with New Boeing 767-300ER

Ethiopian Airlines headed home with its first new 767-300ER Tuesday following a double delivery ceremony for this airplane and also the airline's first 737-700. These airplanes are the first two of 12 new aircraft the flag carrier will acquire over the next four years.
