Boeing Executive to Speak at Aerospace Conference

Boeing Commercial Airplanes Vice President for Marketing Randy Baseler will participate in a panel on "Commercial Air Transport Demand" at the S.G. Cowen 25th Annual Global Aerospace Conference in New York on Tuesday, Feb. 10, 2004. He is expected to discuss the market outlook for commercial airplanes.

A live audio webcast of Mr. Baseler's remarks will be available on the Internet at 9:10 a.m. Eastern Standard Time.

Individuals should check the web sites ahead of time to ensure their computers are configured for the audio stream.
