

Chris Chadwick Named Vice President F/A-18 Programs

Chris Chadwick Named Vice President F/A-18 Programs

Chris Chadwick was named Vice President F/A-18 Programs on Feb. 20, 2004. He succeeds Tony Parasida, who was recently named Vice President of Program Management and Independent Review. In his new position, Chadwick is responsible for the performance of the F/A-18 family of strike fighters and the EA-18G Airborne Electronic Attack Aircraft.
