Boeing Delivers Copa Airlines' 18th Next-Generation 737

Boeing [NYSE:BA] delivered a new 737-700 this morning to Copa Airlines at a Boeing Field ceremony. Copa flies a total 18 Next Generation 737s from its Panama "Hub of the Americas." Copa has three deliveries remaining with Boeing in 2004 and one in 2005. Like all Copa 737 Next Generation aircraft, this one came equipped with winglets and Vertical Situation Display.
