

Boeing Delivers Southwest Airlines 400th 737

Boeing Delivers Southwest Airlines 400th 737

Southwest Airlines' 400th 737 takes off from Boeing Field, Seattle, on June 18. The new airplane is one of nine 737-700s to be received by Southwest this month, part of 47 it will take this year. Ceremonies this week marked the milestone delivery and Southwest's 33 years of operation.
