Boeing 7E7 Dreamliner to Sport Blue Panorama Livery

Built partly in Italy, the Boeing 7E7 Dreamliner will fly Italian skies in Blue Panorama's colors beginning in 2009. Blue Panorama, a charter and scheduled service operator based in Rome , plans to acquire four 7E7-8 jetliners for replacement and growth in its long-distance fleet. Blue Panorama will be among the first European airlines to offer passengers the 7E7's unprecedented comfort.
