

Boeing Executive to Speak at Aerospace Conference

Boeing Executive to Speak at Aerospace Conference

Boeing President and Chief Executive Officer Harry Stonecipher will speak at the S.G. Cowen Aerospace Technology Conference in New York on Tuesday, Feb. 8, 2005. He is expected to discuss Boeing performance, strategy and outlook.

A live audio webcast of Mr. Stonecipher's remarks will be available on the Internet at 9:35 a.m. Eastern Time.

Individuals should check the web sites ahead of time to ensure their computers are configured for the audio stream.
