

Boeing Executive to Speak at Analyst Conference

Boeing Executive to Speak at Analyst Conference

Boeing Commercial Airplanes Director of Product and Services Marketing Randy Tinseth will make a presentation to the JP Morgan Airline Conference in New York on Thursday, Feb. 17, 2005. He is expected to discuss Boeing Commercial Airplanes' strategy for single-aisle and twin-aisle airplanes.

A live audio webcast of Mr. Tinseth's remarks will be available on the Internet at 2:45 p.m. Eastern Time.

Individuals should check the web site ahead of time to ensure their computers are configured for the audio stream.
