Air Pacific Purchases Boeing 787 Dreamliner

Fiji's Air Pacific is the newest customer for the highly popular Boeing 787 Dreamliner, with an order for five of the efficient twin-aisle jetliners. The airline has ordered the 787-9, the largest of the three-model family that was launched two years ago today with an order by ANA of Japan. With this order, 26 customers have ordered 350 Boeing 787s.
