

Boeing and Futura Sign Order for Up to Six Next-Generation 737s

Boeing and Futura Sign Order for Up to Six Next-Generation 737s

The Boeing Company [NYSE: BA] and Futura International Airways, a charter airline headquartered in Palma de Mallorca, Spain, today announced an order for three Boeing Next-Generation 737-800s and three purchase rights. The order for three airplanes is valued at approximately \$210 million at list prices. The new airplanes, scheduled for delivery in 2009 and 2010, are for fleet growth.
