

Boeing Delivers Air China its 150th Boeing Airplane

Boeing Delivers Air China its 150th Boeing Airplane

Boeing [NYSE: BA] and Air China yesterday celebrated the delivery and arrival of the 150th Boeing airplane to Air China in Beijing. The new Boeing Next-Generation 737-800 airplane is the first airplane in China to feature the Beijing 2008 Olympic Games livery highlighting the official mascots -- the five "Fuwa" animal cartoon characters.
