Boeing, First Choice Airways Sign Order for Two Additional Boeing 787s

UK-based carrier and integrated-tour operator First Choice Airways has ordered an additional two Boeing [NYSE: BA] 787-8 Dreamliners with deliveries beginning in 2011.

First Choice, the European launch customer for the 787, placed its first order for six 787s in July 2004. With today's announcement, First Choice now has eight 787s on order. Boeing will deliver First Choice's first 787 in the first quarter of 2009.
