Boeing Business Jets Unveils Interior Concepts for 787 VIP

Boeing [NYSE: BA] Business Jets today unveiled concepts of luxury and comfort for the 787 VIP airplane. Concept renderings of custom interior designs for the advanced-technology widebody VIP jet were displayed at the Middle East Business Aviation Conference & Exhibition in Dubai. The renderings include a stateroom (K63836-08) and a private office (K3836-01). Boeing Business Jets has commissioned several design firms to develop preliminary concepts for 787 VIP interiors. A number of other airplane interior design firms and completion centers have developed a variety of innovative interior design concepts for the 787 VIP as well.
