The Boeing Company Statement Regarding ANA's 777-300ER Announcement

The Boeing Company [NYSE: BA] today acknowledged the announcement by ANA (All Nippon Airways) concerning the airline's intention to order four more Boeing 777-300ERs. ANA operates an extensive fleet of Boeing 777s and we appreciate ANA's additional commitment to the 777 family. ANA's 777 fleet provides efficient and comfortable long-haul service and Boeing looks forward to helping ANA meet its business plans and its passengers' needs.
