Boeing Executives to Provide Update About 787 Dreamliner Program

Boeing [NYSE: BA] will webcast its 787 Dreamliner quarterly media briefing on Monday, March 19, at 10 a.m. Eastern Time.

Commercial Airplanes Chief Executive Officer Scott Carson and Vice President/General Manager, 787 program, Mike Bair will discuss recent progress on the new commercial airplane. The first 787 is now being built, and is to begin flight testing later this year. 787 deliveries are scheduled to begin next year.

The webcast will be available at www.boeing.com. Individuals should check that web site prior to the event to ensure their computers are configured for the audio stream.
