Boeing Delivers Jet Airways' First 777-300ER; New Livery Unveiled

The Boeing Company [NYSE: BA] and Jet Airways, India's largest private airline, on Monday celebrated the delivery of the airline's first of 10 777-300ER (Extended Range) airplanes. The airplane was delivered in Jet Airways' new paint scheme, that features a new design, colors and typeface. The airplane will enter service on May 5, commemorating the airline's 14th anniversary of operations.
