Boeing Business Jets Sales Momentum Continues with Seven New Orders

Boeing [NYSE: BA] Business Jets today announced it has won seven new orders this year, bringing total program sales to 135 jets. The new orders are for six BBJs, high-performance derivatives of the commercially popular Next-Generation 737-700, and one 787-9 VIP jet. To date, program sales include 107 BBJs, 15 BBJ 2s, three BBJ 3s, four 747-8 VIPs and six 787 VIPs.
