KLM Royal Dutch Airlines Orders Seven 737-700s

KLM Royal Dutch Airlines of the AIR FRANCE-KLM Group and Boeing [NYSE: BA] announced an order for seven 737-700s today at the Paris Air Show. This is KLM's first order for the 737-700. It already operates 737-800s. The Amsterdam-based airline also converted three previous orders for 737-800s to 737-700s.
