### **Boeing, Kenya Airway's Celebrate Opening of "The Pride Centre"**

Representatives from Boeing [NYSE: BA] and Kenya Airways were on hand this past Thursday to mark the launch of the airline's new training and leadership center named "The Pride Centre." Kenya Airway's CEO Titus Naikuni (left) and Lee Monson, Boeing Commercial Airplanes vice president of Sales for the Middle East and Africa, jointly unveil a plaque commemorating the opening of the airline's new training and leadership facility.

Located just outside the Kenyan capital, the newly refurbished facility was purchased by Kenya Airways in 2005 and modeled on Boeing's Leadership Center in St. Louis.
