AirBridgeCargo Takes Delivery of Its First New 747-400 Freighter

The Boeing Company [NYSE: BA] and Russia's AirBridgeCargo Airlines today celebrated delivery of the first new 747-400 Freighter to enter the cargo operator's expanding fleet. The 747-400F delivered today is the first of two leased from GE Commercial Aviation Services (GECAS) that will expand AirBridgeCargo's existing fleet of five 747-200/-300 Freighters.
