Boeing Statement on United Arab Emirates C-17 Announcement

ST. LOUIS, Feb. 24, 2009 – The Boeing Company is pleased that the United Arab Emirates (UAE) has announced its intent to acquire the C-17 Globemaster III, the world's most advanced airlifter. The C-17 continues to serve as the backbone of international airlift missions, supporting numerous humanitarian-relief and peacekeeping efforts around the world. We look forward to partnering with the UAE as it strengthens its airlift capabilities with the C-17, which remains unequaled in performance, versatility and reliability.
