Boeing Statement on United Airlines Selection of 787 Dreamliner

SEATTLE, Dec. 8, 2009 – Boeing [NYSE: BA] is delighted that United Airlines has selected theBoeing 787 Dreamliner for the replacement and expansion of its twin-aisle fleet.

“United’s selection of the Boeing 787 continues the 80-year partnership between our two companies,” said Jim Albaugh, president and CEO of Boeing Commercial Airplanes. “The 787 is the first new airplane of the 21st century. Its advanced technology and unprecedented improvements in fuel efficiency will help United achieve its business objectives and enhance its leadership position among the world’s top airlines.”

Boeing looks forward to working with United to finalize the order at which time it will be posted to the Boeing Orders and Deliveries Web site.
