

Boeing Statement on Turkish Airlines Selection of Next-Generation 737

Boeing Statement on Turkish Airlines Selection of Next-Generation 737

SEATTLE, Feb. 23, 2011 – Boeing [NYSE: BA] is pleased that Turkish Airlines has reinforced its trust in the Next-Generation 737 program by announcing its intention to exercise options for additional Boeing 737s. Boeing looks forward to finalizing the contractual details of Turkish Airlines' selection.
