Boeing Statement on MOU with Hong Kong Airlines for 38 Airplanes

HONG KONG, Mar. 7, 2011 – The Boeing Company [NYSE: BA] is delighted with Hong Kong Airlines' intention to expand its fleet with the purchase of 38 Boeing airplanes, including six 777 Freighters, 30 787-9s and two 787-8 VIP airplanes.

Boeing's family of technologically advanced, long-haul airplanes will enhance Hong Kong Airlines' ability to match the demands of the different markets it serves, and connect its long-haul network to local sources of demand.

Boeing is working with Hong Kong Airlines to finalize the agreement, at which time it will be posted to the Boeing Orders & Deliveries website.
