

Boeing Statement on Omega Aerial Refueling 707-300 Accident

Boeing Statement on Omega Aerial Refueling 707-300 Accident

SEATTLE, May 18 – The Boeing Company wishes to extend its well wishes for a full and speedy recovery of those injured in today's crash of an Omega Aerial Refueling 707-300 converted tanker. Boeing is sending an investigator to provide technical support to the U.S. National Transportation Safety Board in its investigation.
