

Boeing 787 Dreamliner Named 'Aircraft of Legend'

EVERETT, Wash., Jan. 27, 2012 – The Boeing 787 Dreamliner has been honored with the "Aircraft of Legend" Award presented by the Living Legends of Aviation organization.

Mike Sinnett, vice president and chief project engineer for the 787 program, accepted the award on behalf of the men and women of Boeing and the international team that created the Dreamliner.

"We're honored to be named the first Aircraft of Legend," said Sinnett. "It is recognition of the expertise, skill and dedication that has gone into the creation of this airplane and an inspiration we'll always keep in front of us – it's something to continue to live up to."
