### **Jim McNerney Statement on John Bryson**

CHICAGO, June 21, 2012 -- Jim McNerney, chairman of the President's Export Council, and chairman, president and CEO of Boeing today issued the following statement regarding John Bryson:

"I am pleased that John will continue as a member of the President's Export Council. His experience in both the private and public sectors are of great benefit to us as we work to promote America's economic interests around the world."
