Boeing Statement on Chairman Camp Tax Reform Proposal

CHICAGO, Feb. 26, 2014 /PRNewswire/ -- Boeing today issued the following statement in support of U.S. House Committee on Ways and Means Chairman Dave Camp's tax reform proposal.

"Chairman Camp's draft is an important step towards comprehensive tax reform that will increase economic growth and strengthen U.S. competitiveness. The Boeing Company has long supported a simplified tax code that lowers the corporate tax rate to a globally competitive level and broadens the tax base. We are pleased to see this process move forward and encourage our elected officials to get behind a bipartisan tax reform effort that grows the economy and creates more jobs in the United States."
