### **Boeing Statement on Air Algérie Flight 5017**

**SEATTLE, July 25, 2014** – The Boeing Company is deeply saddened by the crash of Air Algérie Flight 5017 en route from Ouagadougou, Burkina Faso to Algiers. We extend our heartfelt sympathies to the families and loved ones of those on board. Boeing stands ready to provide technical assistance to government authorities who will investigate the accident.

In accordance with international protocol, all inquiries about aviation accident investigations must be directed to the investigating authority in charge.
