# First Boeing Apache, Chinook helicopters for India complete inaugural flights

Deliveries of 22 AH-64E Apache and 15 CH-47F(I) Chinook helicopters to India begin in 2019

**ARLINGTON, Va., July 27, 2018**— Boeing [NYSE: BA] and India recently took a significant step toward modernizing the Indian Air Force’s helicopter fleet by completing the first flights of Apache and Chinook helicopters destined for delivery next year.

“We look forward to delivering this phenomenal capability to India,” said David Koopersmith, vice president and general manager, Boeing Vertical Lift. “From coastal operations to high-altitude mountainous missions, these aircraft will play vital roles with the Indian armed forces.”

India ultimately will receive 22 AH-64E Apache attack, and 15 CH-47F(I) Chinook transport, helicopters.
