

CST-100 Starliner Pad Abort Test Media Call Advisory

KENNEDY SPACE CENTER, Fla., Nov. 6, 2019— Boeing will host a conference call with media at 1:30 p.m. ET on Thursday, Nov. 7 to address preliminary results of the Nov. 4 Starliner pad abort test. Boeing Commercial Crew Vice President and Program Manager John Mulholland and NASA Commercial Crew Program Manager Kathy Lueders will participate.

Media interested in participating should send an email to the Boeing communications representatives listed below. Please include name, affiliation, and phone number. Final instructions for participating in the call will be provided via email.
