Boeing and Philippine Airlines Finalize Order for up to 20 787 Dreamliners

- Flag carrier plans fleet modernization and network growth with the 787-10

CHICAGO, Nov. 15, 2026 – Boeing [NYSE: BA] and Philippine Airlines this week announced the airline finalized its order for 15 787 Dreamliner jets, with opportunity to purchase five more as demand for air travel continues to grow. The order is Philippine Airlines' largest ever widebody purchase, fulfilling its commitment announced in July 2026.

As the largest member of the 787 Dreamliner family, the 787-10 will support the Philippine flag carrier's fleet modernization and expansion plans, adding capacity and efficiency to its medium- and long-haul network.

The signing marks another milestone in the 80-year partnership between Boeing and Philippine Airlines.

A leading global aerospace company and top U.S. exporter, Boeing develops, manufactures and services commercial airplanes, defense products and space systems for customers in more than 150 countries. Our U.S. and global workforce and supplier base drive innovation, economic opportunity, sustainability and community impact. Boeing is committed to fostering a culture based on our core values of safety, quality and integrity.
