

Boeing, Vistara Confirm Agreement for Up to Ten 787 Dreamliners

The Singapore Airlines and Tata Group joint venture will be first airline in India to operate 787-9s

FARNBOROUGH, Jul. 17, 2018— Boeing [NYSE:BA] and Vistara today confirmed the joint venture between Singapore Airlines and Tata Group, has agreed to order six 787-9 Dreamliners, with options for four more jets at the 2018 Farnborough International Airshow.

The agreement, valued at \$2.8 billion at current list prices, will enable Vistara to become the first operator of the 787-9 in India. In addition, the new Dreamliners will mark the first widebody airplanes for the Indian carrier and will help launch long-haul operations.
