(NYSE:BA)

EVERETT, Wash., Jan. 30 /[PRNewswire-FirstCall](#)/ -- The Boeing Company and Singapore Airlines reached an historic milestone today with the delivery of the airline's 77th 777, which also is its 19th 777-300ER.

Singapore Airlines began its relationship with the Boeing 777 in December 1995, when the airline initially ordered 28 of what has become the most popular intermediate twin-aisle airplane in the world, with a market share of more than 60 percent. The airplane delivered today increases Singapore Airlines' fleet of Boeing airplanes to 91, with an additional 20 787-9 Dreamliners on order.
